# **INTRODUCTION**

This directory is intended to provide assistance in contacting the various elected and appointed governmental officials of the RPCGB six-county region and their staff members. This information is organized alphabetically by governmental unit, with counties listed in Sections I-VI, and the cities and towns categorized within the applicable county section. Section VII-IX lists the State of Alabama Executive and Cabinet Offices, the State Senators and Representatives of the RPCGB district, and the U.S. Senators and Representatives.

The Regional Planning Commission of Greater Birmingham has compiled this Directory with a grant from the Appalachian Regional Commission.

## **ABOUT THE RPCGB**

The Regional Planning Commission of Greater Birmingham (RPCGB) was established in 1963 as a service agency to assist local governments in planning activities. In 1969, the Alabama Legislature authorized the creation of Regional Councils, and the RPCGB became one of 12 regional councils in the state of Alabama. Today, the RPCGB district includes the counties of Blount, Chilton, Jefferson, Shelby, St. Clair and Walker. The region includes the largest metropolitan service area (MSA) with a total population around one million people. The RPCGB is governed by a Board of Directors comprised of citizens and policy making officials from member governments.

# **RPCGB SERVICES**

## **TRANSPORTATION AND TRANSIT PLANNING**

Provides long range planning for programs and planning, including urbanized area plans, corridor plans, greenway plans, along with safety studies to impact transportation in the region.

## **COMMUNITY PLANNING**

Provides land use planning and analysis for member governments including zoning ordinances, subdivision regulations, mapping, and general community plans for a highest and best-use basis for development in the region.

## **ECONOMIC DEVELOPMENT AND TECHNICAL ASSISTANCE**

Assists member governments with a more comprehensive approach to community revitalization and project implementation, including grant writing assistance, GIS mapping, and data analysis.

## **MEDICAID WAIVER**

Provides services for elderly and disabled adults and children who are at risk of nursing home placement to remain in their home as long as possible. Services provided are: case management, homemaker services, personal care services, adult day health, skilled and unskilled respite, adult companion services, and home delivered meals. The services are provided free of charge, but individuals must meet minimum eligibility criteria.

# **RPCGB OFFICERS & BOARD OF DIRECTORS 2019-2020**
